

The Winston-Salem Foundation Community Fund

Every year, nonprofits in our community come to The Winston-Salem Foundation requesting millions of dollars in support. As the community foundation for our area, we are dedicated to helping meet the changing community needs and one way we do that is through the Community Fund.

WHAT IS THE COMMUNITY FUND?

The Community Fund is an unrestricted fund designed to make grants to community organizations. Each year the Foundation approaches the community and requests that residents support the fund. Over the years, the Fund has grown to a point where it is able to make significant grants to meet community needs.

WHY GIVE TO THE COMMUNITY FUND?

- **Enduring:** Because it is an endowment, it ensures that the community will have resources to meet present and future needs.

- **Easy:** Simply send a check to the Foundation or log-on to www.wsfoundation.org to give online.
- **Strategic:** The Foundation's staff works to fund grants that are strategic and purposeful for the community through the Community Fund.
